his credit card, he notified Visa at P.O. Fox 50601 in Dallas, Texas, 75250. The number on the Visa credit card was 4682-0030-1801-2675. BLACKWOOD had also lost an American Express credit card at that same time. BLACKWOOD had purchased his American Express credit card through the First City Bank in Houston, Texas, and BLACKWOOD notified American Express at 777 American Expressway in Ft. Lauderdale, Prorida, directed to KEVIN BROWN. The American Express cedit card number was 3728-082238-1107. BLACKWOOD's seconds reflect that these notifications were mailed on Same Der 15, 1983, after the lost of his wallet.

On May 4, 1984, Agent DAVIS was informed by chief of police at Shamrock, Texas, that his officer, RANDY BOND had inventoried the stolen Renault and that he had found the credit card which was the Diamond Shamrock credit card under the driver's seat and the two purses were in a bag in the trunk, which it was later determined it was in the red gym bag which was in the trunk.

On May 9, 1984, from inform that Agent DAVIS received from th Shamrock, Texas, Police partment, Officers RANDY bond and Deputy JOF STEWART, Telephone #806/256-2136, Agent DAVIS ran a check on BENJAMIN DUNN and received the following information:

BENJAMIN Y. DUNN, Business Telephone #313/493-2577, WM, DOB: 7/26/33, 6401 Coleman, Doarborn, Michigan, Michigan, #15, #D500085946587. DUNN had told officers at Shamrock, Texas, that his Renault was taken on April 25, 1984.

On May 10, 1984, Agent DAVIS talked by telephone to "GORDY" GORDON ELLICTT, 4421 Flamingo Cove, Membris, Tennessee, 28117, Telephone #901/683-6247. ELLICTT informed Agent DAVIS that he has known JEFF JOHNSON since about April 18, 1984. JOHNSON had gone to Detroit from Mempris, Tennessee, after ELLICTT had met JOHNSON. After JOHNSON had returned to Letroit from Mempris, JOHNSON had called FLLICTT that he was planning on coming back to and told ELLICTT that he was planning on coming back to and his brother-in-law (DEGRAW) were enroute to Mempris and their water pump had gone out on their car. TOHNSON wreted ELLICTT to send him some money. ELLICTT had told JOHNSON that he did not have any money to give him.

On liday afternoon, April 27, 1984, JOHNSON and DEGRAW arrived at ELLIOTT's house and stayed there until at ELLIOTT's house at approximately 1600 hours on Friday, JOHNSON was driving a "'83 silver or gray Renault." JOHNSON belonged to his brother-in-law, FLOYD DEGRAW, who was with JOHNSON at this time. JOHNSON and DEGRAW

took a shower at ELLIOTT's house and ELLIOTT washed their clothing for them. DEGRAW's clothing was in the same suitcase as was JOHNSON's. Buth JOHNSON and DEGRAW were broke when they arrived at ELLIOTT's place and they were wanting a bottle, so ELLIOTT took DEGRAW to a liquor store and bought them a bottle. DEGRAW had to move his Renault out of the driveway so ELLIOTT could get his car out, then when they returned to ELLIOTT's residence from getting the bottle, DEGRAW asked FLLIOTT if it would be okay for him to park his car back in the driveway as he did not want someone to steal the hubcaps or something. ELLIOTT stated that at this time he thought something was frinny that as he lived in this cove and there wasn't but about six houses in this cove and never had any problems with anyone bothering the automobiles there, but DEGRAW did park his car back in the driveway at ELLIOTT's house.

JOHNSON was acquainted with a guy named ERIK and a girl named KATHY. KATHY worked at a bar in Memphis and JOHNSON had become acquainted with ERIK and KATHY when he was in Memphis at a prior time. ELLIOTT does not know anything about the individual named ERIK, but KATHY is a WF, mid-30's, who works at Charlies Corners Bar at 3411 Maken Road, Memphis, Tennessee, Telephone #901/324-6197.

JOHNSON and DEGRAW left ELLIOTT's house at about 2300 hours and at the time they left they said they were going to find someone to get them another bottle. ELLIOTT told them that the door would be locked as he was going to bed and they would not be able to get back in. That is the last ELLIOTT saw of DEGRAW and JOHNSON.

ELLIOTT described JOHNSON as being JEFFERY JOHNSON, WM, DOB: 7/4/53, age 30, 6'2', black curly hair: 180 lbs., well built, and large hands, but is in proportion with the size of his body. JOHNSON was wearing cowboy boots, a western type shirt which was solid color, and blur jeans which were slightly faded. JOHNSON is bi coxua. but is a "lady's man with an ego thing."

Saw him was wearing green khaki p. 's, a white shirt with some kind of a name on it, either 'likaw's name or some company name, and was wearing black boots, and DEGRAW . also bi-sexual. DEGRAW had mentioned that he had lost his driver s icense from a DWI charge or something.

Since DEGRAW and JOHNSON left ELLIOTT's house, ELLIOTT has received a telephone cal from DEGRAW and DEGRAW stated that he was calling from Albuquerque, Arizona, but ELLIOTT was sure that he meant Albuquerque, New Mexico. DEGRAW stated that he had arrived in Albuquerque the following Tuesday after they had left ELLIOTT's residence which was

a week ago this past Tuesday. DEGRAW stated that he left California the afternoon prior to this telephone call which would have been on Monday, May 1, 1984. DEGRAW told ELLIOTT on the telephone that he had picked up a hitchhiker and the hichhiker had about 70 dollars and that they were trying to get back. DEGRAW also stated that he and JOHNSON had gotten into it over using some stolen credit cards and JOHNSON did one other things that DEGRAW did not like, so he said that he and JOHNSON got into it in California, and that he had left JOHNSON in California.

DEGRAW again called ELLIOTT about a week ago last night (May 2, 1984). DEGRAW told ELLIOTT that he was in jail in Canyon, Texas, on aggravated rape charges and that someone was trying to pin a murder charge on him.

come through Oklahoma prior to coming to Memphis the first time, but that he was not sure that JOHNSON had been in Oklahoma and had no knowledge as to whether DECRAW had been in Oklahoma previously.

This telephone convertation was recorded and the copy of the tape will be mailed to OSBI Agent GARY ROGERS. The original tape will be kept in possession of Deputy JOEL CLICHARDSON of the Randall County Sheriff's Department in Canyon, Texas.

A driver's license check on JEFFERY W. JOHNSON, DOB: 7/4/53, Mississippi DL #587504105 with the expiration date of 7/31/81, 5'8", 165 lbs., brown hair, green eyes, corrective lenses, P.O. Box 883, Laurel, Mississippi. No criminal record was found on JOHNSON in Oklahoma, and no driver's license information was found. JOHNSON has FBI was rap sheet will be mailed to Agent DAVS by the FBI at a later date.

On May 10, 1984, Ada Police Officer DEN, IS SMITH, REFERCA LYNN SCOTT had come up missing in the last part of 1983 from a garage sale which was being held to tahona At the time the purse came up missing, it was thought that a neighbor boy had stolen the purse from this garage sale.

Driver's license check on REBECCA LYNX SCOTT reflects to REBECCA LYNN SCOTT, 604 Rogers, Poteau, Oklahoma, 74953, previous name-REBECCA LYNN FOUT.

Officer DENNIS SMITH also stated that the wallet which belonged to TAMI WILLETT had been lost February 3, 1984, in Ada, Oklahoma. W.LLETT had been riding around with a friend named PAT GOODWIN in GOODWIN's automobile and WILLETT had left her purse in the automobile and it came up missing from there.

A driver's license check of WILLETT reflects that TAMI JEAN WILLETT, Oklahoma DL #443742772, expires 3/85, Rt. #1, Ada, Oklahoma, 74820, DOB: 3/14/67, WF, 5'4", 120 lbs., brown eyes.

The victim that DEGRAW is charge with raping is DONNA VIVIAN ELLIS, WF, Age 23, 1116 N. Wilson, Amarillo, Texas, Telephone #806/381-1703.

On May 10, 1984 DECRAW was run on polygraph by Amarillo Police Detective Lieutenant JIMMY M. STEVENS. Lieutenan. STEVENS stated that if he were to grade the polygraph that he would have to grade it at inconclusive, but he had a gut feeling that DEGRAW did not rob and kidnap the victim from Ada, Oklahoma. Lieutenant ITEVENS stated that he thought that an OSBI polygraph examiner should check the charts over and determine the results of the charts. He did state that questions #3, which was "Concerning the kidnapping of the girl in Ada, Oklahoma, do you intend to be truthful about?", DEGRAW was very deceptive on this question. Also on question #6, which was, "About ten days ago did you participate in a kidnapping in Ada, Oklahoma?", Lieutenant STEVENS stated that DEGRAW was deceptive in this. Also question #10 which was, "Have you ever seen the girl whose picture is on the wall in front of you now?", was deceptive, but other questions that were asked, the response was very flat and Lieutenant STEVENS felt that overall DEGRAW was not involved in the kidnapping of this girl from Ada. A copy of the polygraph charts, the questions, and the data sheet, along with the polygraph examination warning, was received by Agent DAVIS the transferred to Deputy Inspector LEWADE LANGLEY for his evaluatic.

After conferm vol. Deputy Inspecto. LANGLEY, it was determined that Area LAVIS should interrogate DEGRAW.
Puring this interrogation on 100, 1984, a approximately, 1716 hours, Agent DAVIS read PuriAW a Miranda Warning from a card carried by Agent DAVIS and DEGRAW stated that he understood what his rights were.

During this interrogation, Agent DAVIS inquired of DEGRAW why he had told previously that he Lad left Detroit, Michigan, with 1100 dollars in his possession, when in fact, he did not have that kind of money with him. DEGRAW stated that he told a lie because he did not want to get in trouble over the credit cards used. DEGRAW stated that he actually had

12 dollars when he arrived in Memphis, Tennesses, at GORDY ELLIOTT's residence, but that no one knew about the amount of money that he had.

DEGRAW stated that on the trip from Detroit to Los Angeles, that they would steal gasoline and jump lines. DEGRAW stated that what he meant by jumping line was that they would fill up the car with gasoline close to the state line at then drive off without paying, going across the state line after them for stealing graphine.

and also stated that they would steal items and sell . - m ... ong the way in order to get money. DEGRAW denies ever participating in any robberies along the way, but did state that maybe one of the reasons he was having problems with the questions or the polygraph that or he asked would it make any difference if the robbery occurred six years ago. Agent DAVIS acked him as to what robbery he was talking about which he refused to tell, and Agent DAVIS informed DEGRAW that he didn't believe that would have any effect on this polygraph today. DEGRAW stated to him fingerprints should not be on any cash register any place, but that another problem that he may have had on the polygraph was that when he was asked questions about the woman in Ada, he was thinking about his sister who had beer kidnapped and raped b. his cousin when she was 12 years old, and that this was many years ago. DEGRAW stated that his sister looked like that fixture, pointing to the victim of the ktinapping and rettery in Ada, Oklahoma. DEGRAW stated that he was looking at that picture which was pinned on the wall it front of him while he was taking the polygraph test in Amarillo.

DECRAW also stated that JEFF JOHNSON had lived in Mississippi, that a police officer had checked his driver's license, but DEGRAW was in the patrol car at the time the officer was checking JOHNSON's driver's license and doesn't know how close he looked at the driver's license to see that it and supired in 1981. DEGRAW stated that they were in the state of fear see around Memphis when the officer checked the driver's license. DEGRAW stated that he had gone into Charlies Colocia Bar in Memphis while he and JOHNSON were at ELLIOTT's residence in Memphis, Tennessee. DEGRAW went into the lar to get "a broad" to Come out and talk to JOHNSON.

DECRAW also met ERIK who was a friend of JOHNSON's in Memphis, Tennessee. ERIK is a t.v. repairman. DEGRAW again stated that BRIAN is a hitchhiker whom DEGRAW had picked up about 1/2 way between the New Mexico/Texas state line and Amarillo, Texas. BRIAN was going to Florida and came from an unknown location. DEGRAW stated that he does not know, nor

has he heard of a J. PAULSON. DEGRAW stated that BLACKWOOD is a guy out of Texas and that the deproy in Canyon, Texas, had said that his driver's license was gotten out from under the seat of the automobile which DEGRAW had. DEGRAW stated that he did not know where the driver's license came from and that he did not know BLACKWOOD. DEGRAW admitted that he did make a telephone call from a Juquerque to GORDON ELLIOTT, and DEGRAW stated that he had picked up a hitchhiker in Arizona and that the hitchhiker was with DEGRAW in Albuquerque, but that DEGRAW does not know his name. This came from questioning by Agent DAVIS about DEGRAW telling ELLIOTT that the hitchhiker was with him and they had about 75 dollars to get back on.

DEGRAW stated that he has been in a mental institution which was the Mcrcer County, West Virginia, Mental Health Center. DEGRAW stated that he did not know what the diagnosis was, but that he was put in there because he would "fly off the handle."

DEGRAW also stated that the credit cards, a Visa credit, a Gulf credit dard, and a Texas driver's license, which belonged to BLACKWOOD were in the possession of a hitchhiker that JOHNSON and DEGRAW and picked up at the same location where they had let the man and woman hitchhikers out. (DEGRAW previously had pointed out in the map that he had let the man and woman hitchhikers out in Gallop, New Mexico, and that they were enroute to tas Vegas, Nevada.)

DEGRAW admits that he did not leave with 1100 dollars as he had previously stated, and that he only had a few bucks, and when he got to Memphis, Tennessee, he had approximately 12 dollars with him. DEGRAW stated that as he and JOHNSON traveled from Memphis, Tennessee, toward California, that they had stopped at a church in Arkansas and had gotten gasoline from them and that JOHNSON had sold blood in Arkansas for money. DEGRAW could not sell blood be muse he did not have any identification with him except for his birth certificate.

The 11.st place DEGRAW rece is that a credit card was used was the "isa credit card which belonged to BLACKWOOD and it was used in a small town in Texas at small store.

JOHNSON used the Visa credit card because the hitchhiker stated that be did not want to use it because BLACKWOOD wild be able to identify him. JOHNSON could use credit cards easily because he looked good and everyone trusted him.

DEGRAW stated that the hitchhiker did end up using the Visa credit card at a liquor store by the beach in Los Angeles, California. DEGRAW describes the hitchhiker as about his (DEGRAW's) size, wearing a hat, a beard, and sunglasses, and that he said his name was TOM. TOM told JOHNSON and DEGRAW to call him SCULL something. On questioning DEGRAW about the necklace and ring which are in his personal property

at the Randall County Sheriff's Department, DEGRAW first denied having possession of a necklace and ring. When Agent DAVIS informed him that the officers had taken it off of him in Shamrock, Texas, DEGRAW then stated that he does not know where it came from. "It could be DONNA's in Amarillo or TIM's." DEGRAW stated that TIM could have left it on the front seat and he picked it up and put it in his pocket as TIM was riding in the front seat.

bEGRAW denies ever being involved in any robberies . he trip from Detroit to Los Angeles and back, denies oring in Ada, Oklahoma, although he had originally insisted that they had never left I-40 in the state of Oklahoma, but at that time, DEGRAW never inquired as to where Aca, Oklahoma, was, not knowing whether it was located on I-40 or away from I-40. At one time during the conversation and as Agent DAVIS put the picture of the victim from Ada before DEGRAW, DEGRAW held his head in his hands and appeared about to break down, but after recomposing himself, lifted his head with his eyes very red and stated that he did not now caything about the woman who was abducted in Ada, but she' we would find her alive. DEGRAW then became very irritable, pacing the floor, saying he did not want to answer any more questions and continued doing this while Agent DavIS continued talking. DEGRAW then insisted on being taken back to his jail cell and not answering any more questions, which at that time, the conversation with DEGRAW was terminated at approximately 2000 hours.

On May 10, 1984, Agent DATIS received copies of a traffic ticket which DEGRAW had received in California, and registration papers for the 1984 Renaul, vehicle certificate of title for the Renault, a Michigan driver's license for BENJAMIN DUNN, and a business card for BENJAMIN DUNN. The traffic ticket was issued on April 30, 1884, at 4:05 p.m. which was on a Monday, to FLOYD LEE DEGRAW, 416 Union Drive, Lilly, West Virginia. The Wichigan registration for the 1984 Renault was in the name of Accrican Motors Sales Cosporation in Detroit, Michigan. The Michigan driver's license cas in the name of BENJAMIN Y. DUNN, 6403 Coleman, Learborn, Michigan, Michigan DL #D 500 085 946 58%, expiration on birth date of 1987. The business card was for BEN DUNN, manager, Production Technical Communications, Public Relations Department, American Motors Corporation, 14250 Plymouth moad, Detroit, Michigan, 48232, Telephone #313/493-2577. The vehicle certificate of title had an issue date of 11/7/83, title #12033080531, for a 1984 Renault, VIN #1XMDC9562EK157692, body style-4-door, owner's name, American Motors Sales Corporation, same address in Detroit, Michigan.

On May 16, 1984, MARTY McGOWAN, white female, 211 Skylark Court, Norman, Oklahoma, telephone number: 364-4247, provided the following information telephonically:

McGOWAN was, at approximately 1126 hours this date, having coffee alone at a Howard Johnson's Restaurant on W. Main Street in Norman, Oklahoma. A white female entered the restaurant alone and went into the restroom for several minutes and left. She got into what McGOWAN thought was an off-white Trans-Am or tamero and left in an unknown direction. The tag was Oklahoma XBK-87. The white female was twenty to twenty-five years of age, according to McGOWAN, and wearing a blue top and white tight "short shorts". Her hair was dark, almost deep brown, and curly, past her shoulders. She was 5'3" to 5'5" and 110 - 115 lbs. McGOWAN felt certain she was the same person whose picture she observed recently in local newspapers as having been missing from an A'a convenience store. Prior to telephoning the OSBI, McGOWAN telephoned her observations to the Norman Police Dept. and said the officer cold her to call the OSBI.

AGENT'S NOTE:

A check of that tag came back as being a 1982 Footiac Firebird registered to MELISSA ANN FRANKS, white female, DOB: 7-2-63, SSN: 446-72-0916, of 4809 N. Miller, Oklahoma City, Oklahoma, 5'6", 120 lbs., and brown eyes.
